

# 10 CAREER FAIR TIPS

- 1** Smile and be personable.
- 2** Have a firm handshake.
- 3** Work your way from the bottom of your targeted company list to the top to warm yourself up in talking with employers.
- 4** Write notes after each interaction with companies.
- 5** Ask for contact information (business cards, emails).
- 6** Follow up with employers after Career Fair.
- 7** Have your elevator pitch ready.
- 8** Research companies before speaking with them, if possible.
- 9** Talk with employers from companies you may not be familiar with.
- 10** Be professional and thank employers for their time after speaking with them.
