Dear Peer Advisor Candidate:

Thank you for your interest in becoming a 2018 FIU Orientation Peer Advisor! First, we’d like you to know what it really means to be a Peer Advisor! It means long hours, lots of FIU knowledge, a family of fellow PAs, helping others — even when it’s not convenient for you, being a role model, and giving of yourself to make FIU a better place for us all! Are you interested? GOOD! Please note: This packet is EXTREMELY detailed. We aren’t trying to overwhelm you, but we want you to have a good idea of what this position truly entails. It’s a big commitment, but it can also be a life-changing experience! Here’s what we’re looking for:

**2018 Peer Advisor Position Description**

Each year a group of enthusiastic and responsible FIU students are selected to become Orientation Peer Advisors. These special students are trained extensively to assist with all new student orientation programs throughout the year as well as other programs for new students and their families. In this capacity, they serve as resources for new students and their parents, they assist FIU staff with planning and implementation of the programs, and they are viewed as student leaders among the University community. In addition, Peer Advisors are expected to make the Orientation experience an inclusive and fun welcome to the FIU community. Peer Advisors have a lasting impact on both individual students and our FIU traditions as they create the next generation of Proud Panthers and leave a legacy that promotes the values of our institution.

Selection as an Orientation Peer Advisor is both a unique honor and a rewarding opportunity for personal and professional growth. Recognized by the University administration and faculty for its invaluable assistance, this team of leaders has a huge amount of responsibility, but receives many benefits. As vital members of this dynamic team, Peer Advisors enjoy a memorable experience while providing a valuable service to the University.

We are excited that you are interested in joining this prestigious group, and we wish you luck throughout the process. As you consider applying, remember the potential impact you can have on your fellow Panthers if you are selected to serve them through this position. If you have additional questions, please do not hesitate to stop by our offices in GC 189 or WUC 257.

With Panther Pride,

Ashley Grimes  
Assistant Director  
Orientation and Parent Programs

Terms and Conditions of Employment

A. Length of Position – This position begins in January 2018 and ends January 2019

B. Required Commitments – Peer Advisors are responsible for the following:

1. Training/Development Sessions – Each Peer Advisor will be required to attend the weekly development sessions beginning in January and ending in May. Development sessions are every Friday from 8:00am-12:00pm from January 12th until April 27th, and also on May 1st and May 4th from 8am-5pm. Supplemental Development Days/Meetings outside of these times as indicated below are also mandatory. Training Marathon takes place May 7th – 12th and May 16th, and Peer Advisor Coordinators will be expected to check into a campus Residence Hall and stay throughout Training Marathon. Please hold May 13th for Peer Advisor Graduation and skit rehearsal/filming.

2. Staff Retreat – Each Peer Advisor will be required to attend and participate in our retreat, which will be held January 19th-21st, 2018 at a location within the state of Florida, but outside of Miami.

3. Student Leadership Summit – All Peer Advisors are required to attend FIU’s Student Leadership Summit at the Biscayne Bay Campus on Saturday, February 3rd, 2018.

4. SROW – All Peer Advisors will be required to attend the 2018 Southern Regional Orientation Workshop, which will be held at University of Central Florida in Orlando, Florida from March 16-18th, 2018. We plan to leave FIU on Thursday, March 15th and return late afternoon/evening of March 18th. Please note that this falls during FIU’s Spring Break.

5. Rehearsals – In preparation for SROW, orientation skits, and/or other performances, Peer Advisor Coordinators will be required to plan, attend, and oversee rehearsals. Orientation skit practice will take place during the evenings of training marathon. Dates for additional rehearsals outside of training time are to be determined.

6. Orientation and Parent Programs Retreat – All Peer Advisors will attend the Orientation and Parent Programs Retreat on Saturday, March 24th from 8am-5pm.
7. **Open House** – At the Spring University Open House, Peer Advisors are expected to give campus tours and promote school spirit. The date for Spring 2018 is Saturday, April 7th from 7am-1pm.

8. **Orientation Sessions** – For Freshman Orientation sessions, Peer Advisors are considered on-duty from 7:00pm the day prior to the session until 6:30pm on day two, or until all orientation-related duties are complete, whichever is later. For Transfer Advising and Registration sessions, Peer Advisors are on-duty from 5:30am until 6:00pm, unless it is an evening session which would run from 1:00pm until 11:30pm. All of the Orientation Session dates are listed in this packet, and those selected should be sure to make arrangements to accommodate this work schedule. **All Peer Advisors should plan to work ALL dates listed**. During Orientation sessions, Peer Advisors will be given a schedule of assigned tasks but will be expected to be available to assist with additional responsibilities as needed during these times.

9. **Summer Development Days** – Peer Advisors will have additional development days on June 20th, July 17th (prior to the evening orientation session), and August 15th. Peer Advisors should be available from 8am-8pm on these days until otherwise informed.

10. **Freshman Convocation** – Peer Advisors will be required to assist with the Freshman Convocation and Reception scheduled for Sunday, August 19th, 2018 from 10:00am-6pm.

11. **Other FIU functions** – On occasion, other FIU departments and organizations will request the assistance of Peer Advisors. Often they are asked to give tours and to meet-and-greet special visitors to the campus. Most of these requests come in the Fall and Spring semesters, and they provide a good way to stay involved in the campus community.

C. **Campuses** – All Peer Advisors will be trained on and expected to work Transfer Orientations at both the Biscayne Bay and Modesto Maidique Campuses. A sub-group of PAs will be designated to work the four BBC Freshman Orientations in addition to MMC, while the remaining staff will work only and all MMC Freshman Orientations. All Peer Advisors will work Transfer Orientations at both campuses.

D. **Time Off** – Peer Advisors will have some flexibility in which Transfer Orientations they work to allow for some pre-arranged days off. Additionally, the group of PAs designated to work the four BBC Freshman Orientations will have off four MMC Freshman Orientations. These four MMC orientation dates will be predetermined and the BBC team will be notified. **Beyond this, time off is limited to an emergency basis only.**

E. **Overnight Orientation Sessions** – Freshmen attending Orientation will have the option to stay overnight; therefore, Peer Advisors **may** also be required to stay on campus in a provided residence hall room for some or all of the MMC Freshman Orientations as a function of their work responsibilities. The required stay for Peer Advisors could begin as early as the night before an orientation, and would last through the end of the second day of the program. BBC Orientations will not have an overnight component. Peer Advisors may also be expected to stay overnight in an assigned residence hall room the night before a Transfer Advising & Registration Day held at MMC.

F. **Outside Employment** – It is not recommended that Peer Advisors hold other employment during intensive training and orientation times from May until late August. Should employment be necessary, Peer Advisors must schedule other responsibilities around their Peer Advisor job duties and be sure that it does not require them to miss a scheduled event, training, or Orientation session (this includes needing to leave early). Outside employment will not be an acceptable excuse to miss any portion of orientation at any time.

G. **Outside Involvements** –

1. **Resident Assistants:** Currently, Peer Advisors are allowed to apply to be Resident Assistants for Fall 2018/Spring 2019, and we have accommodations in place with our partners in Residential Life work through potential conflicts. This would limit other dates off due to anticipated conflicts with RA training, but it can be worked out to allow students to participate in both positions.
2. **Alternative Breaks**: Due to a conflict with dates, 2018 Peer Advisors will **not** be able to participate in a Spring 2018 Alternative Breaks if the dates conflict with our trip to SROW (March 15-18, 2018).

3. **For other involvements, please share the dates required of you for this position**. Required dates cannot be missed due to other involvements.

H. **Class Schedules** – Peer Advisors are **not allowed** to take *in-person* classes during any of the **Summer 2018 Terms**, but will be allowed to take **ONE ONLINE CLASS** per Summer Term if they desire. In addition, **Spring 2018 Term** schedules must leave **Fridays from 7:00am-1:00pm** free to attend mandatory training/development sessions on both campuses. Note that some trainings/development sessions may begin before 8:00am, and you will need to be able to get to campus on time. **No exceptions to these expectations will be offered, so please keep this in mind when you apply.**

I. **Academic Standing** – Peer Advisors must maintain good academic standing while employed by the Office of Orientation. Our goal is for PAs to earn 30 credits per academic year. Good academic standing shall be defined as:

1. Maintaining a minimum cumulative **and** semester GPA of 2.5 during the time of employment, AND
   - i. If a student is scheduled to graduate in Fall 2018, they may be exempted from the requirement of having to be full-time if they have less than 12 credits remaining to complete their degree.

A PA will be terminated if he/she fails to achieve good academic standing in two consecutive semesters, if the PA's cumulative or semester GPA falls below a 2.0, OR if the PA is no longer a full-time student for Spring/Fall. In addition, Peer Advisors must not be scheduled to graduate from the University before December of the year for which they were selected (2018).

J. **Conduct Status** – Peer Advisors must remain in good judicial standing with the university throughout their employment. Failure to comply with the expectations below may result in dismissal from the Peer Advisor position.

1. PA’s will abide by the [FIU Student Code of Conduct](#) and will promote the [Civility Initiative](#) through their actions.
   - i. As representatives of our office, all PA’s will role model the tenants of the Civility Initiative by “showing respect to all people, regardless of differences; always acting with integrity, even when no one is watching; and being a positive contributing member of the FIU community.”
   - ii. PA’s will not violate the Student Code of Conduct, regardless of whether or not they are found responsible for such violation(s).

K. **Compensation** –

- **Pay**: Each Peer Advisor will be paid an amount of $1,700 in the summer, which will be distributed every other week beginning in May. An additional stipend up to $300 will be distributed based on the number of Spring Orientation sessions worked during November and December 2018, as well as January 2019.
  - PLEASE NOTE: Peer Advisors who wish to have a car on campus during the summer but who are **not** taking classes during the summer will be required to pay for a parking permit in order to park on campus. The price for the permit has not yet been set, but can be estimated between $85-$95.

- **Housing**: **Housing is an ANTICIPATED benefit at this point. It is **not** guaranteed. You MUST be able to complete the position and all required duties even if housing is not provided to you free of cost during the summer. ALL details related to housing provisions are subject to change.** If provided, on-campus housing will be available for the Peer Advisors from the beginning of Training Marathon through approximately July 28th, 2018. Peer Advisors **may** be required to check-in and check-out of their housing assignment in between orientation programs. As a function of
their job and to maintain on-campus housing, Peer Advisors MUST abide by ALL policies as outlined in the FIU Student Code of Conduct, including all policies related to Housing and Residential Life (http://studentaffairs.fiu.edu/life-at-fiu/housing-and-residential-life/policies/resident-responsibilities/index.php), in addition to any policies imposed by Orientation and Parent Programs. Policies imposed by Orientation and Parent Programs include but are not limited to:

- **No alcohol will be allowed in the rooms or living spaces of any Peer Advisors at any time. Those in violation or suspected violation of this policy will be terminated.**
- **No guests will be allowed to be in the rooms of Peer Advisors at any point from 10pm the night prior to an orientation until that orientation has been completed, nor during any required work or training times.**

**Meals:** Some meals will be provided during **freshman orientation sessions only.**

**Travel/Special Events:** During the Peer Advisor Retreat and SROW, all expenses including travel, lodging, and meals will be paid for by the Orientation Office, with the exception of meals during travel.

**Attire:** Each Peer Advisor will also receive uniforms for orientation days. Uniforms are the property of the Orientation and Parent Programs office and must be returned to the office promptly upon vacating the position for any reason, including dismissal.

**Development Opportunities:** Peer Advisors will be provided with many development opportunities including leadership skills, professional preparation, connection to faculty, staff, and administrators, and extensive information about how to successfully navigate the university. **We are invested in your success!**

**Sorority and Fraternity (Greek Life) Policy**

*Updated October 2017*

The overall philosophy of this policy is that we, as representatives of Orientation and Parent Programs, want to support the integrity of Greek Life at FIU by ensuring that we do not (intentionally or unintentionally) influence new students as they find the best fit for themselves in a sorority or fraternity. Below are some examples (although not an exhaustive list) of appropriate and inappropriate behaviors to help further explain our philosophy as it informs our policy.

**Representation of your organization and Orientation and Parent Programs:**

*For the entirety of your role as a Peer Advisor or Panther Camp Facilitator:*

- Members of both teams should not simultaneously represent their Greek affiliation while also representing our office (Orientation and Parent Programs)
  - Example 1: PAs/PCFs should not wear letters (or other organization-specific symbols) with their office polo, jacket, or backpack
  - Example 2: PAs/PCFs should not portray both their Greek affiliation and student leader position within the office in the same photo, hashtags, comment, or status
  - Example 3: PAs/PCFs should ensure their Greek organization understands it will not be allowed to spotlight or publicize (using pictures, hashtags, etc.) members of our teams that disclose their role within our office

**Examples of our philosophy in action:**

<table>
<thead>
<tr>
<th>PAs/PCFs <strong>DO:</strong></th>
<th>PAs/PCFs <strong>DO NOT:</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>Maintain communication with the students they meet and serve through their positions in our office in a way that supports the transition and success of those students, without disclosing Greek affiliation or support for any specific Greek organization</td>
<td>Represent their sorority or fraternity nor disclose their affiliation during any program hosted by or in collaboration with Orientation and Parent Programs.</td>
</tr>
<tr>
<td>On days off, attend official/registered events, such as chapter meetings, philanthropy events, and intramural events where new members are not present</td>
<td>Participate in any type of recruitment or pre-recruitment event during the restricted time (April 1 - the first day of classes for Fall 2018) for any council</td>
</tr>
<tr>
<td>PAs/PCFs <strong>DO:</strong></td>
<td>PAs/PCFs <strong>DO NOT:</strong></td>
</tr>
<tr>
<td>-----------------</td>
<td>-----------------------</td>
</tr>
<tr>
<td>Support the official/registered events of other organizations (so long as they do not take place on campus during an Orientation and Parent Programs event/program)</td>
<td>During our scheduled office events/orientation sessions, PAs/PCFs don’t “hang out,” (spend a disproportionate amount of time, or sit with members of any one organization, whether that organization is theirs or another organization they support)</td>
</tr>
<tr>
<td>Share comments, pictures, and/or posts promoting joining Greek life or promoting events and activities for all potential new members but not promoting any specific organization(s).</td>
<td>Share pictures or videos of 3 or more members of a particular organization (regardless of whether or not they’re wearing letters). NOTE: PAs/PCFs should also be sure their organization knows NOT to share these kinds of pictures.</td>
</tr>
<tr>
<td>Consider joining an organization during Spring 2018 or Fall 2018, as long as the required dates/commitments do not conflict with or take away from their responsibilities on our teams.</td>
<td>Wear any Greek letters or other symbols attributed to a particular organization on campus during the restricted time (April 1 - beginning of classes, Fall 2018)</td>
</tr>
<tr>
<td>Beginning April 1 and through the first day of class in Fall 2018, remove or make inaccessible any pictures/comments/tags/hashtags connecting PAs/PCFs to specific Greek organizations (theirs or others), including mention of philanthropies that are strongly associated with particular organizations. Ask organization and fellow members to ensure they remove anything accessible on social media or other marketing that connects PAs/PCFs to a particular organization.</td>
<td>Allow a Greek organization to post about them while also displaying their role in Orientation and Parent Programs</td>
</tr>
</tbody>
</table>

**Implementation Notes:**

- If any representative from the Office of Fraternity and Sorority Life observes or is notified of any of our team members violating any of these policies, they are asked to contact our office to discuss the situation and determine appropriate action.
- **It is the responsibility of all Peer Advisors and Panther Camp Facilitators to inform their organizations of these policies.** Student leaders within Orientation and Parent Programs are responsible for holding themselves, their peers, and their organizations accountable for these policies.

**2018 Panhellenic Council Formal Recruitment**

The 2018 Panhellenic Council Formal Recruitment process will conflict with some of the required dates for Peer Advisors and Panther Camp Facilitators. Members of both teams will NOT be able to participate in any aspects of the recruitment process that conflict with dates or times required of them for their role in the Orientation and Parent Programs office. We asked that all applicants be intentional and proactive about sharing this information with their organizations. This conflict also restricts Peer Advisors and Panther Camp Facilitators from holding a Pi Chi or Rho Gamma position, holding a recruitment position within their respective organization, or participating in Panhellenic Formal Recruitment as a Potential New Member. To maintain the intent of our policy, if any member of the 2018 Peer Advisor or Panther Camp team is released from or quits the team prior to Fall 2018 Panhellenic Formal Recruitment, that person will not be allowed to participate in the dates in conflict for her respective team.
