The Panther Camp Scholarship will be awarded to students based on financial need. Recipients will receive a $50.00 scholarship, which will reduce the $90.00 registration fee. The recipients of the scholarship are responsible for the $40.00 difference in the cost of registration. Recipients are selected solely based on expressed financial need, not on merit. In addition to the application, you must attach a 1 page essay focusing on why you would like to attend Panther Camp and what you hope to gain from the experience.

All applications materials should be returned to the Orientation and Parent Programs Office (located in GC 189). Upon receipt of application materials, applicants will be required to complete the online registration form and pay the $40 scholarship registration fee. All applications will be reviewed and decision rendered on a first come, first served basis. All recipients will be notified via email whether or not they have received a scholarship. Students who do not receive the scholarship will have the option of paying the additional registration cost ($50) or receiving a refund of their previous payment.
