FIU DAY AT TALLAHASSEE

March 21st, 2017

On March 21st, FIU Student Leaders had the opportunity to visit the State Capitol in Tallahassee, Florida for our annual FIU Day. The SGA for MMC and BBC had the chance to advocate current priorities to State Representatives and Senators, expressing the importance of the FIU community. Students on campus also had the opportunity to get involved with FIU Day with SGA-BBC council members tabling throughout the day, answering questions and sharing recent updates from the Capitol. The day was a great success, having met lots of members of the Capitol and advocating for FIU. There is lots to come in the future for FIU.

SGA MEMBER OF THE MONTH ZHE HUANG

Hello everyone! My name is Zhe Huang. I originally come from China and I just transferred from South China University of Technology to FIU this year. My major is hospitality management and I am a junior now. I am organized, calm, helpful and determined. I join in SGA because I would like to contribute to the success of our organization and improve myself at the same time. I am eager to learn new things every day at FIU and open to diverse ideas. I am expecting to become friends with you. In my free time, I like listening to music, reading books and cooking food. I can't express how happy I am to be part of SGA and work for it.
