STUDENT FEEDBACK FORUM

November 22, 2016

On November 22nd, students had the opportunity to attend a Student Feedback Forum event hosted by the SGA along with the Division of Student Affairs. Assistant Vice President for Student Affairs, Dr. Eric E. Arneson and SGA-BBC President, Allhan Mejia lead the open forum for students. The event was held to encourage BBC students to share their own thoughts, concerns and ideas for BBC. The forums are a beneficial way to have a chance to hear students feedback and to communicate changes happening within the student government.

The day’s activities were open to BBC students to join and we had an overwhelming number of people volunteer, this was a chance for students to get involved with our outside community and enjoy Thanksgiving with the children of His House.
