SGA MEMBER OF THE MONTH
MICAELA M. SUAREZ

Hello Panthers! My name is Mica. I am an International Business Student on my Junior Year and I am your 2016-2017 FIU SGC BBC Business Senator and Finance Chair. I joined SGA to help students accomplish what they have the power to do and inform them on their responsibilities as students that crave a change on campus. I became Finance Chair to alleviate the monetary issue of students not being able to fully afford going to a conference or research project in another state or country. I joined SGA because it is the voice of the people and I have found a group of people to where I belong, SGA has become like a family to me.
