Hello Panthers!
As the Fall semester comes to an end, we have many announcements and events to inform you about so make sure to keep scrolling! We wish you the best of luck on your upcoming exams and make sure to finish the semester strong!
Spooktacular 2016

We would like to start off by thanking everyone who came out to our United Way Halloween fundraiser, we hope you had a "spooktacular" time! Every year, SGA coordinates a fundraising event for FIU's philanthropy - United Way. For those of you that may not know, United Way is the world's largest privately funded nonprofit organization. Their mission encompasses improving the quality of life for the common good through three avenues - helping children and youth reach their full potential through quality education, promoting financial stability, and providing healthcare.

This year we hosted a haunted house at the Pi Kappa Phi Fraternity House. After having your stomach drop while walking through the haunted house, you
were able to fill it up with a variety of food trucks and goodie bags, which all donated to a wonderful cause. In addition, we held our annual pumpkin decorating competition, with our winner being the SGA Intern pumpkin and their depiction of Harambe!

We thank everyone who participated in and attended our event because it is due to your generosity that we were able to fundraise $450.14. Once again congratulations to the SGA Interns for their winning pumpkin and special thanks to our very own SGA officials Erick Ramirez, Jorgini Navarro, Elizabeth Rodriguez, and Victoria Patel for putting together a wonderful event!

It's On Us
Our advocacy efforts are still underway for the It’s on Us campaign so make sure to come out and get involved since it’s on all of us to take a stand against sexual assault in an effort to make our campus a safe and welcoming environment for all.

On Monday, November 14th from 11 AM to 2 PM at the Betty Chapman Plaza we will be hosting an information session. Come learn the facts and prevalence of sexual assault on college campuses. We can take a stand and make a difference so come out to learn how! Food and refreshments will be provided.

On Tuesday, November 22nd from 4 PM to 7 PM in the GC Pit we will have a self-defense demonstration. It is important to know how to protect oneself if faced with a dangerous situation. Come ask questions and learn some moves that could potentially save your life or the life of another person some day!

We hope to see you there!
