FIU-2501 Student Code of Conduct

As an academic community, Florida International University fosters the intellectual exchange of ideas, knowledge, and experience. It is the responsibility of the University to provide a stimulating environment in which scholarship and personal growth may occur. The desired effect is that Students will take advantage of this environment to develop intellectually as well as participate as responsible, contributing citizens of our community. Being a contributing Student also comes with responsibility to adhere to the Student Code of Conduct. The ultimate responsibility for knowing University requirements and regulations rests with the Student, regardless of institutional or program affiliation. Those charged with and found responsible for violations of the Student Code of Conduct will be subject to appropriate action as outlined herein. For the most current of Student Code of Conduct, please refer to the website of the Office of Student Conduct & Conflict Resolution (SCCR) at conduct.fiu.edu.

The safety and well-being of our community is the University’s foremost concern. Florida International University has zero tolerance for acts that compromise the safety and well-being of members of the University community. Members of the FIU community, guests, and visitors have the right to be free from any form of sexual discrimination, harassment and misconduct. It is the policy of the University that acts of harassment and violence will not be tolerated. Any act of intimidation, threat of violence, or act of violence committed against other members of the University when committed within the jurisdiction of the Student Code of Conduct is prohibited. Any Student or Student Organization found responsible for a violation of this standard may be subject to discipline up to and including expulsion pursuant to the Student Code of Conduct. Student Code of Conduct violations, such as those in the following list, may lead to suspension or dismissal from the University once the determination of responsibility has been made: arson, creating or false reporting of bombs, illegal drug and/or alcohol distribution, possession or discharge of illegal weapons, rape or sexual misconduct, stalking, Intimate Partner Violence, hate crimes, hazing, and physical assault.

This revised Code is effective the first day of classes for 2018 Summer B (i.e., June 18, 2018).

1. DEFINITIONS
   a. **Advisor:** Any person chosen by the Charged Student, Charged Student Organization, or the Complainant to assist throughout the Student Conduct process (e.g., faculty, staff, parent/guardian, attorney, friend, alumni, or any other person who is not a Witness in the process).
   b. **Business Day:** A day when the University is open for regular business operations. For emailed correspondence, the day of delivery is not included in a designated time period.
   c. **Character Witness Statement:** A statement relating to the general character and reputation of the person.
   d. **Charge:** The written statement of the alleged violations of the Student Conduct of Code.
   e. **Charged Student:** Any Student who has been charged with an alleged violation of the Student Code of Conduct.
   f. **Complainant:** Any individual who may have been the subject of any Sexual Assault, Stalking, Intimate Partner Violence by the Charged Student regardless of whether the individual makes a report.
   g. **Consent:** A clear, knowing, and voluntary agreement to engage in specific sexual activity at the time of the activity which can be withdrawn at any time. Consent must be ongoing throughout the sexual activity.
      • Consent can be given by words or actions as long as those words or actions create mutually understandable permission regarding willingness to engage in (and the conditions of) sexual activity.
• Within each sexual encounter, there may be separate sexual acts involved, and consent to one act and/or person(s) by itself does not constitute consent to another act and/or person(s).
• Consent is active, not passive.
• Lack of protest or resistance does not mean consent has been granted, nor does silence alone mean consent has been granted.
• The existence of a dating relationship between the persons involved, or the fact of past sexual relations, should never, by itself, be assumed to be an indicator of consent for any current or future sexual encounter.
• If coercion or force is used, there is no consent.
• Sexual activity with someone known to be, or should be known to be, incapacitated constitutes a violation of this regulation, as someone who is incapacitated is unable to consent.
  o Incapacitation can occur mentally or physically, from physical or developmental disability, by alcohol or other drug use, or by blackout.
  o The question of what the Charged Student should have known as to whether the Complainant was incapacitated is objectively based on what a reasonable person in the place of the Charged Student, sober and exercising good judgment, would have known about the condition of the Complainant.
  o If a person is mentally or physically incapacitated so that the person cannot understand the fact, nature or extent of the sexual situation, there is no consent; this includes but is not limited to conditions due to age, alcohol or drug consumption, unconsciousness, or physical or developmental disability.
• Whether one has taken advantage of a position of influence over another may be a factor in determining consent.
• Consent can be withdrawn once given, as long as that withdrawal is clearly communicated.
• In order to give consent, one must be of legal age.

h. **Final Agency Action:** The written decision resulting from the Student Conduct process which finally determines the rights or obligations of the Charged Student or Student Organization.

i. **Hearing Body:** Consists of a Hearing Officer or, if a Student Conduct Committee, two (2) students, a faculty/staff member, and a non-voting Hearing Officer.

   c. The Hearing Body is authorized by the Vice President for Student Affairs or designee to conduct Student Conduct hearings as set forth in this Code.

   d. Decisions of the Hearing Body constitute Final Agency Action unless there is a timely appeal. If a decision is timely appealed, the decision of the appellate body constitutes Final Agency Action.

   e. The Hearing Body is authorized to conduct Student Conduct hearings as follows:
      1. The Office of SCCR Summary Resolutions, and Administrative and Student Conduct Committee Hearings as set forth in this Code.

      i. In accordance with Florida Statutes Section 790.115, possession of firearms on University Premises or On-Campus Housing (except as provided by Florida Statutes Section 790.25(5).
      ii. Possession of a concealed weapon or firearm on University Premises or On-Campus Housing even if the Student possesses a concealed weapon license.
   2. Notwithstanding the foregoing, weapons, including non-functioning antique display weapons, may be used for classroom instructional purposes or other University sanctioned activities (e.g., firearms under the direct supervision of ROTC, a diver's knife for a scuba divers' class) but only with prior approval by the appropriate University Official.
   3. Threat of the use of a weapon or weapons that could, or would, cause distress or injury to a member or members of the University community or damage to University Premises or On-Campus Housing.

y. Other Violations
   1. Attempt or intent to commit any violation outlined in the Student Code of Conduct of Conduct.
   2. Involvement in any violation outlined in the Student Code of Conduct. This includes prompting, facilitating, or encouraging others to commit acts prohibited by this Code and/or the failure to remove oneself from the area/incident where the offense is being committed or attempted.
   3. Aids or abets another in any violation of federal law, state law, local ordinance, and/or Policy.
   4. Violations of federal or state laws, local ordinance, and/or Policy.

6. PRE-HEARING PROCEDURES
   a. Initiating Charges: Any person or entity (including University departments, offices, officials, community members, etc.) may report an alleged violation(s) of the Student Conduct Code for review by the SCCR:
      1. Submitting a police report that has been filed with any police department.
      2. Providing a SCCR incident report (see http://conduct.fiu.edu for report) along with accompanying documentation.
      3. Making an oral report to SCCR.
b. **Preliminary Review:** The SCCR Director will determine, at their discretion, whether further fact-finding is needed, whether there is sufficient information to file charges, and whether to assign a Hearing Officer.

c. **Filing Time:** Anyone may report an alleged Code violation within ninety (90) calendar days of the incident or obtaining knowledge about the incident, whichever is later. For conduct under Section 5.1 (Intimate Partner Violence), 5.q (Sexual Misconduct, and 5.s (Stalking), there is no time limit for reporting. In addition, the SCCR Director may extend the filing time where the delay may be related to issues of victimization or beyond the control of the University.

d. **Investigations:** The SCCR Director retains the discretion to determine whether an investigation should be conducted, and the scope of such investigation based on the alleged violations. The investigation will be a neutral fact-finding process used to determine if there is sufficient information to warrant action by the University.

e. **Charge Letter:** The Charged Student or Student Organization will be given a written notice of the Charges. The Charge Letter will include the following:
   1. Notice of the charge(s), including specific code section(s) which constitutes the alleged violation(s) of the Student Conduct of Code, an allegations statement, and any other detail in order to prepare for a Student Conduct proceeding; and
   2. An appointment to attend an information session.

f. **Consolidation:** When two or more Charged Students are charged in the same incident, the Hearing Body, in their discretion, may hold a separate hearing for each Charged Student or may hold a joint hearing if all Charged Students agree.

g. **Information Session:** An information session is designed to provide the Charged Student or Student Organization with information about the hearing process as well as giving access to the information supporting the charge(s) available at that time.
   1. The Charged Student or Student Organization will have an opportunity to review all information in the Student Conduct file at the information session with their Advisor, including the names of Witnesses to be called and the information to be used in the Student Conduct matter.
      i. Subsequent to the information session, the Hearing Officer may conduct further fact-finding regarding the incident that is subject to the charge. This information will be communicated to the Charged Student/Student Organization prior to the hearing.
   2. If a Charged Student or Student Organization fails to attend a scheduled information session, the Charged Student or Student Organization will be deemed to have waived their right to an information session. Under those circumstances, a hearing will be scheduled. Failure to attend an information session will result in the Hearing Officer determining the type of hearing. The hearing type will be determined based on the severity of the possible sanctions (e.g., suspension/expulsion cases may be referred to the Student Conduct Committee).
   3. If the Charged Student fails to attend the information session, the Hearing Officer may place a hold/service indicator on the Charged Student’s record until the conclusion of the hearing. If sanctions are imposed as a result of the hearing, the hold/service indicator will be retained until the Charged Student fulfills all of the sanctions.

7. **RESOLUTION OPTIONS**
   A Charged Student is entitled to a resolution of any alleged violation of the Student Code of Conduct through a disciplinary proceeding unless waived as set forth below. Two (2) types of resolution options are provided by the Student Code of Conduct.
   a. **Summary Resolution**
      1. A summary resolution is available when the Charged Student or Student Organization waives the right to a hearing and requests that the Hearing Officer conducting the
information session determine the findings and sanctions if applicable. The Hearing Officer reserves the right to conduct fact-finding to make an informed decision.

2. The following apply to a summary resolution:
   i. The meeting(s) will not be recorded.
   ii. The written decision will serve as the official record of the Summary Resolution.
   iii. The written decision will be sent to the Charged Student or Student Organization within fourteen (14) Business Days from the date of the Summary Resolution.

3. If the Charged Student or Student Organization does not choose the Summary Resolution (or the option is unavailable), the Charged Student or Student Organization may indicate their preference for one of the two (2) types of hearings.
   b. Hearings: Hearings include: 1) an administrative hearing, or 2) a Student Conduct Committee hearing. All procedures described in the Hearing Procedures section apply to these types of hearings.
      1. Administrative hearing - conducted by a Hearing Officer who serves as the Hearing Body.
      2. Student Conduct Committee hearing - conducted by a committee which serves as the Hearing Body. The committee is comprised of two (2) Students and one (1) faculty or staff member. A non-voting Hearing Officer will moderate the hearing.
   c. The SCCR Director retains the discretion to ultimately determine which hearing forum is appropriate.
   d. All hearing(s) will be conducted in private or in accordance with applicable law.

8. HEARING NOTIFICATION
   a. Scheduling: Hearings may be scheduled during class periods. Every effort will be made to avoid a class conflict; however, due to availability of persons involved in the hearing and meeting room, it may not be possible.
   b. Hearing Notice: The notice of a hearing, including date, time, and location will be sent to the official University email address of the Charged Student, or to the official University email address of the President of the Student Organization, at least five (5) Business Days prior to the hearing. The Hearing Officer has the discretion to provide notice through additional means (e.g., overnight or hand delivery). The delivery notification of the hearing notice through the official University email will constitute full and adequate notice under the Student Code of Conduct. The Charged Student or Student Organization may waive the notice period by indicating the waiver in writing.
      1. The notice will include the names of Witnesses to be called by the University and a list of information to be used in the Hearing.
      2. The notice will also indicate the name(s) of the Hearing Body member(s).
   c. Witnesses and Evidence
      1. In addition to Witnesses to be called by the University, the Charged Student or Student Organization may request the presence of additional Witnesses to voluntarily present relevant information on their behalf.
         i. The Charged Student or Student Organization must provide the Hearing Officer with the names of all additional Witnesses in writing at least three (3) Business Days prior to the hearing.
         ii. The Hearing Officer will determine the admissibility of additional Witnesses. Character Witnesses or Witnesses to other incidents outside the specific incident in question will not be allowed to testify at a hearing. The Charged Student or Student Organization may provide the Hearing Body with Character Witness Statements (which will only be considered during the sanctioning phase, if any).
         iii. The Charged Student or Student Organization is responsible for contacting and notifying the additional Witnesses they wish to call for the hearing.
iv. The proceedings shall not be delayed due to scheduling conflicts of Witnesses. Failure of any Witness to appear shall not require a delay or affect the validity of the proceedings. If called Witnesses do not appear, their written statements, if they exist, will be considered by the Hearing Body. Witnesses can appear in person or by contemporaneous alternative means (e.g., Skype, phone, etc.).

v. The Hearing Officer has the discretion to limit the number of Witnesses whose testimony may be duplicative, redundant, or not in dispute.

vi. The Hearing Officer may place limits on the length of testimony and also may advise the scope, direction, or tone of questioning.

2. The Charged Student or Student Organization may inspect all of the information that will be presented at the Hearing at least three (3) Business Days before the hearing.

i. The Charged Student or Student Organization must submit any information they intend to use at a hearing at least three (3) Business Days before. Relevant records, exhibits, and statements may be accepted at the discretion of the Hearing Officer. The University will not consider polygraph reports.

3. Acceptance or denial of witnesses and/or evidence is within the discretion of the Hearing Officer.

4. Evidence and/or the names of Witnesses will be provided to the Hearing Body prior to the Hearing.

d. Challenging a Member of the Hearing Body/Change of a Hearing Body Member

1. The Charged Student or Student Organization may challenge the inclusion of any member at least three (3) Business Days prior to the scheduled hearing. The challenge must be in writing and must show actual bias (such as a conflict of interest, animosity, pressure, or influence) that would preclude a fair and impartial hearing. The Hearing Officer will determine whether to grant such challenge in their discretion, and such decision is final.

2. If a Hearing Body member is unable to serve due to an emergency or unforeseeable occurrence, the Hearing Officer will appoint a new Hearing Body member prior to the scheduled hearing and notify the Charged Student as soon as possible. The Charged Student or Student Organization may challenge the inclusion of this member at the time of the hearing. The challenge must be on the basis outlined above.

e. Request for a Postponement: Any request to postpone a hearing must be submitted in writing or by email and must be received by the SCCR Director at least two (2) Business Days prior to the hearing. The request must state the reason(s) for the postponement. The granting of such requests shall be at the discretion of the SCCR Director. The University is not required to postpone a Student Conduct proceeding pending the outcome of a criminal prosecution.

9. ADVISOR FOR THE CHARGED STUDENT OR STUDENT ORGANIZATION

a. The Charged Student or Student Organization may be accompanied by an Advisor of their choosing and at their expense at any time during the Student Conduct process.

1. It is the responsibility of the Charged Student or Student Organization to make appropriate arrangements for the Advisor to attend the proceeding. The proceedings shall not be delayed due to scheduling conflicts of the chosen Advisor. If the Advisor is an attorney, the attorney must comply with the same restrictions imposed on any other Advisor.

2. The Charged Student or Student Organization is responsible for presenting their own information, and therefore, Advisors are not permitted to speak or to participate directly in any Student Conduct process.
3. Although the Charged Student or Student Organization may consult with the Advisor during the hearing, this consultation must take place in a manner that does not disrupt the proceedings.
4. The Advisor chosen by the Charged Student or Student Organization cannot be a Witness in the matter.
5. The SCCR can provide the Charged Student or Student Organization with a list of Advisors who can provide assistance in preparing a response to the reported Code violation.

10. DUE PROCESS RIGHTS OF THE CHARGED STUDENT OR STUDENT ORGANIZATION
   a. Reasonable, written notice of the Student Code of Conduct charge and the allegations upon which the charge is based.
   b. A fair and impartial hearing.
   c. Accompaniment by an Advisor of their choice and expense at any time during the Student Conduct process.
   d. The opportunity to review all relevant information to be used in the Student Conduct hearing prior to the hearing.
   e. The ability to participate in the Student Conduct hearing either physically or by contemporaneous alternative means (e.g., Skype, phone, etc.).
   f. The opportunity to present relevant Witnesses and information at the hearing.
   g. The opportunity to question Witnesses in accordance with the Hearing Procedures.
   h. Not to provide self-incriminating testimony. (This right does not apply to Student Organizations.)
   i. Receive notification of the decision of the Hearing Body in writing within fourteen (14) Business Days of the hearing.
   j. Appeal the decision via the process established by the University.

11. PRINCIPLES OF GROUP RESPONSIBILITY
   a. Any Student Organization can be held responsible under the Student Code of Conduct for its actions or those of its members acting together. Misconduct on the part of the organization will be addressed when one or more of the following circumstances occur:
      1. An alleged violation arises out of a Student Organization-sponsored, financed, or otherwise supported activity.
      2. An alleged violation occurs on University Premises or On-Campus Housing and/or transportation owned, operated, or rented exclusively by the Student Organization.
      3. A pattern of individual alleged violations has occurred and/or continues to occur without adequate control, response, or sanction on the part of the Student Organization or its leaders.
      4. The Student Organization or its related activities provided the context for the alleged violation.
      5. The action resulting in the alleged violation has received either the implied or overt consent of the Student Organization and/or its leaders.
      6. The Student Organization overtly places or implicitly allows active members of the Student Organization to be in a position to act on behalf or with the authority of the Student Organization.
   b. The actions of either active or associate members (pledges) of a Student Organization may be considered hazing. Refer to Section 5.k for full details on Hazing.
   c. It is the responsibility of the Student Organization’s President or Student-member designee to represent the organization through the conduct process.
12. HEARING PROCEDURES
a. During the hearing, the Hearing Officer presides over the Student Conduct hearing and makes all procedural decisions.
b. The burden of proof in a hearing rests with the University. The standard of proof is a Preponderance of the Evidence. The determination of “responsible” or “not responsible” will be based solely on the information and/or testimony presented.
c. Formal rules of process, procedure, and/or technical rules of evidence applicable in the criminal or civil court process are not used in Student Conduct proceedings.
d. Witnesses only participate in the hearing for their testimony and questioning.
e. The hearing will be recorded. The recording will serve as the only official record of the proceedings. No other recordings are permitted.
f. If the Charged Student or Student Organization fails to appear at the scheduled hearing, the hearing will be held, and a decision will be rendered in their absence.
g. Upon request by the Charged Student, the Complainant, or Witnesses, the Hearing Officer may permit the individual to provide relevant information during the hearing in a manner that avoids direct contact with the Charged Student, the Complainant, or Witnesses.
h. The Hearing Officer has the discretion to determine the order of the hearings which may involve the following:
   1. Introductory statement by Hearing Officer including a reading of the allegations and charge(s), introduction of information that is the basis for the charges, and identification of the hearing participants.
   2. Statement by the Charged Student or Student Organization and submission of any previously-submitted relevant written information (e.g., records, exhibits, written statements) except for Witness statements (see below) for consideration by the Hearing Body.
   3. Questions directed to the Charged Student or Student Organization by the Hearing Body.
   4. Presentation of Witnesses and any results of fact-finding conducted prior to the hearing.
   5. Questioning of Witnesses by the Hearing Body. The Charged Student or Student Organization may pose questions directly to the Witness except in a situation where the Witness feels uncomfortable or is the Complainant. In these situations, the questions will be presented in writing to the Hearing Officer who will then ask the Witness the question(s).
   6. Submission by the Charged Student or Student Organization of written statements (if any) of Witnesses who are not present.
   7. Follow-up questions (if any) directed to the Charged Student or Student Organization by the Hearing Body.
   8. Final statement by the Charged Student or Student Organization.
   9. Hearing Officer brings hearing to closure.
i. Deliberation by the Hearing Body is not part of the hearing.
j. Prior Student Conduct records, Character Witness Statements, and/or Impact Statements are considered only in determining the appropriate sanction(s).
k. In Student Conduct Committee hearings, the Committee will make a recommendation of the decision and sanctions to the Hearing Officer. The Hearing Officer may take one of these actions with respect to the recommendation:
   1. Adopt
   2. Modify
   3. Reject the findings and sanctions, or
   4. Remand for a rehearing.
   If the Committee decision is not adopted, the Hearing Officer will include the reasons for any differences between the recommendations of the Committee and the Hearing Officer’s final decision as part of the decision letter.
1. A decision letter will be sent to the Charged Student or Student Organization within fourteen (14) Business Days from the conclusion of the Hearing Body’s deliberation. The hearing decision will include the decision, sanctions imposed (if applicable), and the right to appeal.

13. TITLE IX PROCEDURES
The University’s Title IX Coordinator has designated the SCCR Director to serve as Deputy Title IX Coordinator. The Title IX Coordinator and Deputy Coordinator will ensure that the following procedures are implemented in accordance with Title IX and the Clery Act, as amended by the Violence Against Women Reauthorization Act of 2013 (VAWA). Such procedures relating to alleged Title IX/VAWA violations will be conducted in a reliable, impartial, thorough, prompt, and equitable manner. The Student Code of Conduct procedures will be followed in complaints arising out of an alleged violation of University prohibitions against sexual misconduct (i.e., Intimate Partner Violence, sexual harassment, coercion, assault, and violence), stalking, and gender-based discrimination with the additions or expectations listed below.

a. **Prohibited Conduct**: Title IX cases include prohibited conduct listed in Section 5.1 (Intimate Partner Violence), 5.q (Sexual Misconduct), and 5.s (Stalking).

b. **Pre-Hearing Procedures**
   1. **Investigations**: If the SCCR Director determines that an investigation is necessary into the alleged violations, the procedures below will be followed. All fact finding will occur during the investigation stage prior to the hearing. There will be no documents or testimony presented at the hearing.
      i. The SCCR Director will select two (2) trained investigators to gather sufficient evidence to reach a fair, impartial determination as to whether the alleged violation has occurred based on the preponderance of the evidence. The investigators will be trained to gather and document the available evidence to support reliable decisions, objectively evaluate the credibility of the parties and Witnesses, synthesize all available evidence (including both supportive and non-supportive evidence), and take into account the unique and complex circumstances of each case.
      ii. The SCCR Director will select investigators who are free of actual or reasonably perceived conflicts of interest and biases for or against any party. The Charged Student and the Complainant each have the right to challenge the selection of the investigators at least three (3) Business Days after being advised of the investigation and the identities of the investigators. The challenge must be in writing and show actual bias (such as a conflict of interest, animosity, pressure, or influence) that would preclude a fair and impartial investigation. The SCCR Director will determine whether to grant such challenge in his/her discretion, and such decision is final.
   2. **Pre-Investigation Meeting and Notice of Investigation**: The investigators will meet with the Complainant and Charged Student (in separate meetings) to advise each party of the allegations constituting a potential violation of the Student Code of Conduct. To the extent known and to the extent that the knowledge would not impede a fair and impartial investigation and/or harm any of the parties or Witnesses, the investigators will advise each party of the identities of the parties, the specific code sections allegedly violated, the precise conduct allegedly constituting the potential violation, and the date and location of the alleged incident. The investigators will send the parties a written Notice of Investigation via email.
   3. **Investigative Procedures**: During an investigation, the investigators will seek to meet separately with the Complainant, the Charged Student, and any Witnesses. Witnesses are individuals who may have information relevant to the incident, including individuals who may have observed the acts in question, may be able to provide contextual information, or may have other information related to the incident, the disclosure, or related matters.
The investigators will also gather other relevant information or evidence, including documents, photographs, communications between the parties, medical records (subject to the consent of the applicable person), and other electronic records as appropriate. The investigators, not the parties, are responsible for gathering relevant evidence to the extent reasonably possible. Both the Complainant and Charged Student are encouraged to promptly submit any relevant information, including Witnesses. If a party declines to provide relevant information, the University’s ability to conduct a prompt, thorough, and equitable investigation may be impaired.

4. **Prior Sexual History.** The sexual history of the Complainant or Charged Student will never be used to prove character or reputation. Evidence related to the prior sexual history of the parties is generally not used in determining whether a violation of this Code has occurred and will only be considered under limited circumstances. For example, prior sexual history may be relevant to explain injury, to provide proof of a pattern, or to address another specific issue raised in the investigation. The investigator will determine the relevance of this information and both parties will be informed if evidence of prior or subsequent conduct is deemed relevant.

5. **Written Investigation Report:** Upon conclusion of the investigation, the investigators will prepare a written report summarizing the relevant information which will include any evidence and list of Witnesses that are supportive or not supportive of a violation. The Charged Student, the Complainant, and any Witnesses will have the opportunity to review the report before it becomes final. Upon notice of the availability of the investigation report, any party will have five (5) Business Days to:
   i. Meet again with the investigator,
   ii. Provide written comment or feedback on the facts as gathered,
   iii. Submit additional information, and/or
   iv. Identify additional Witnesses or request the collection of other information by the investigator. If any party provides a written response or makes a request for additional information, the content will be shared as appropriate and incorporated in the final investigation report. Once the investigation report is final, a copy will be provided to the Charged Student and Complainant at the same time. This report will be used in the Hearing (Section 12).

6. **Charge Letter (Section 6):** At the time of the issuing the charge letter to the Charged Student, the Complainant will also be notified of the charges and be offered an Information Session.

c. **Due Process Rights of The Complainant:**
   1. Reasonable, written notice of the Student Code of Conduct charge and the allegations upon which the charge is based.
   2. A fair and impartial hearing.
   3. Accompaniment by an Advisor of their choosing and expense at any time during the Student Conduct process.
   4. The opportunity to review all relevant information to be used in their Student Conduct process prior to the hearing.
   5. The ability to participate in the Student Conduct hearing either physically or by contemporaneous alternative means (e.g., Skype, phone, etc.).
   6. The opportunity to present Witnesses at the hearing.
   7. The opportunity to question Witnesses in accordance with the Hearing Procedures.
   8. Not to provide self-incriminating testimony. (This right does not apply to Student Organizations.)
   10. Appeal the decision via the process established by the University.
In addition to these due process rights, the Complainant has the same responsibilities as those provided by the Student Code of Conduct to the Charged Student. See Section 10.

d. **Due Process Rights of the Charged Student:** See Section 10.

e. **Additional Due Process Rights for Charged Students and Complainants:** Both parties have the additional right to submit an Impact Statement for use solely in the sanctioning phase if the Charged Student is found responsible for the Charge(s).

f. **Hearing Notifications (Section 8):** At the time of issuing the hearing notice to the Charged Student, the Complainant will also be notified of the hearing.

g. **Hearing Procedures (Section 12):**
   1. **Hearing:** The Hearing Body, the Charged Student, and the Complainant will be given the final investigation report at least three (3) Business Days prior to the hearing. During the hearing, the investigators will provide a summary of the final investigation report. The Hearing Body, the Charged Student, and the Complainant may ask questions about the report.
   2. **Decision Letter:** The decision will include outcome, the rationale for the outcome, the sanctions, and the rationale for the sanctions. The SCCR Director will forward the Title IX Coordinator a copy of the decision letter on the same day that the Charged Party and Complainant are sent the letter.

h. **Interim Suspension (Section 15):** A Complainant will be notified of the Interim Suspension of the Charged Student and will have the same rights as the Charged Student to participate in the subsequent hearing.

i. **Appeals (Section 16):**
   1. The Complainant wishing to appeal must complete the appeal form in full, indicating the basis for the appeal, explain in detail the reasons for the appeal, and attach supporting relevant documentation.
   2. The SCCR will notify the Complainant if the Charged Student appeals, and vice versa. Both parties may submit a written statement within seven (7) Business Days.
   3. The appellate decision is issued in writing to the Complainant within twenty-one (21) Business Days of receipt of the written request for appeal unless notification is given that additional time is necessary for consideration of the record on appeal.

14. **SANCTIONS**

   a. In light of the facts and circumstances of each case, the following sanctions or combination of sanctions (with or without appropriate modifications) will be imposed upon any Charged Student or Student Organization found to have violated the Student Code of Conduct. Sanctions will be commensurate with the prohibited conduct with consideration given to any aggravating and mitigating circumstances, including but not limited to the Charged Student’s or Student Organization’s conduct record. Fees may be associated with certain sanctions (e.g., counseling consultation, online programs, etc.) and are the Student’s or Student Organization’s responsibility.

**General**

1. **Written Reprimand:** the University takes official notice that such actions are inappropriate and not in accordance with our community standards.

2. **Educational Activities:** attendance at in-person and/or online educational program(s)/workshop(s); interview(s) with appropriate officials; written research assignments; behavior reflection papers; planning and implementing educational program(s); or other educational activities.

3. **No Contact Order:** the requirement that the Charged Student and/or friends have no contact with the Complainant. This restriction can be imposed at any time during the Student Conduct process.
4. **Counseling Screening/Consultation:** referral for screening and/or consultation with the University Counseling and Psychological Services (CAPS) (or a licensed psychologist/psychiatrist if the Charged Student is no longer enrolled when sanctioned or is seeking readmission) for alcohol/drug dependence, anger management, general mental health or other counseling issues. Charged Student must follow through with recommendations made by CAPS or the licensed psychologist/psychiatrist, as applicable. The Charged Student must permit the consulting professional to provide official documentation on letterhead verifying attendance and to share the recommendations with the SCCR.

5. **Psychological Evaluation:** referral for an evaluation and recommendation by a licensed psychologist or psychiatrist which may include CAPS. The Charged Student must follow through with any recommendations made by the psychologist or psychiatrist. The Charged Student must permit the professional to provide official documentation on letterhead verifying attendance and share the recommendations with the SCCR.

6. **Restitution:** requirement to reimburse the University or person for damage to or misappropriation of property owned or in possession of the University or other persons. Any such payment on restitution will be limited to actual cost of repair or replacement.

7. **Restrictions/Loss of Privileges:** restrictions or loss of privileges which may be imposed upon a Charged Student for a specified amount of time, including but not limited to, participation in Student activities, University or Student events, representation of the University on athletic teams or in leadership positions, presence at University residence halls or other buildings/areas of campus, participation as a peer advisor, resident assistant, or elected/appointed Student leader in Student Government or other Student Organizations; and/or participation in study abroad or alternative break programs. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on his/her current or potential future activities.

8. **Conduct Probation:** a temporary interruption of the Student’s status with the University. A Charged Student who is on conduct probation is considered not in good standing with the University, resulting in applicable restrictions on privileges and/or activities including, but not limited to, prohibited from participating in study abroad or alternative break, as a peer advisor, resident assistant, or elected/appointed a Student leader in Student Government or other Student Organizations. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on his/her current or potential future activities. The conduct probation period is a time for the Charged Student to reflect on his/her behavior and demonstrate that he/she can once again be a responsible Member of the University community. While on conduct probation, further violations of the Student Code of Conduct or other University Policies may result in suspension or expulsion.

9. **Deferred Suspension:** period of time in which suspension is temporarily withheld or withheld pending completion of other sanctions by a specified deadline date. A Charged Student on deferred suspension is considered not in good standing with the University, resulting in applicable restrictions or privileges including, but not limited to, prohibited from participating in study abroad or alternative spring break, as a peer advisor, resident assistant, or elected/appointed a Student leader in Student Government or other Student Organizations. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on his/her current or potential future activities. If the Charged Student fails to fulfill the sanctions described in the decision letter (including failure to timely fulfill the sanction), the Charged Student will no longer be considered on deferred suspension but will be automatically suspended with no further appeal.

10. **Suspension:** separation from the University for a specified period of time. A Charged Student is considered not in good standing with the University while suspended. The
Charged Student may not attend classes (either in person or online) and is banned from being on or in any University Premises or On-Campus Housing. The suspended Charged Student is also banned from participation in any University-sponsored/related event or activity, and his/her FIU OneCard will be deactivated. This sanction is recorded on the Charged Student’s academic transcript during the period of suspension. A Charged Student who is suspended from the University is not eligible for tuition and/or registration fee reimbursement except as provided by University Policies. The Charged Student will be administratively withdrawn from courses and will lose respective credit hours.

11. **Expulsion**: permanent separation from the University with no possibility of readmission. This sanction is recorded on the Charged Student’s academic transcript permanently. A Charged Student is considered not in good standing with the University after being expelled. The Charged Student may not attend classes (either in person or online) and is banned from being on or in any University Premises or On-Campus Housing. The expelled Charged Student is also banned from participation in any University sponsored/related activity or event and his/her FIU OneCard will be deactivated. A Charged Student who is expelled from the University is not eligible for tuition nor registration fee reimbursement except as provided by University Policy. The Charged Student will be administratively withdrawn from courses and will lose respective credit hours.

**Student Organization Sanctions**

12. **Restrictions/Loss of Privileges (Student Organizations)**: for an organization, restrictions or loss of privileges including, but not limited to, participation in Student activities, social events, intramural activities, alcohol functions, or in campus facilities. This does not affect an individual Student’s status with the University or attendance at classes unless the individual Student has been charged and sanctioned independently of the Student Organization.

13. **Conduct Probation (Student Organizations)**: temporary interruption of the organization’s status with the University. An organization that is on conduct probation is considered not in good standing with the University, resulting in applicable restrictions of privileges and/or activities including, but not limited to, participation in or exclusion from Student activities, social events, intramural activities, alcohol functions, or in campus facilities. Further violations of Interfraternity Council (IFC), Panhellenic Council (PC), National Panhellenic Council (NPHC), Wellness & Recreation Center (WRC), or Multicultural Greek Council (MGC) Policies, Student Code of Conduct or other University Policies may result in suspension or expulsion of the Charged Student Organization from the University. This does not affect an individual Student’s status with the University or attendance at classes unless the individual Student has been charged and sanctioned independently of the Charged Student Organization.

14. **Deferred Suspension (Student Organizations)**: period of time in which the organization’s suspension is temporarily withheld or withheld pending completion of other sanctions by a specified deadline date. An organization on deferred suspension is considered not in good standing with the University, resulting in applicable restrictions or privileges and/or activities including, but not limited to, participation in or exclusion from Student activities, social events, intramural activities, alcohol functions, or in campus facilities. If the organization fails to fulfill the sanctions described in the decision letter (including failure to timely fulfill the sanction), the organization will no longer be considered on deferred suspension but will be automatically suspended with no further appeal. This does not affect an individual Student’s status with the University or
attendance at classes unless the individual Student has been charged and sanctioned independent of the Student Organization.

15. **Suspension (Student Organizations):** separation from the University for a specified period of time. An organization while suspended is considered not in good standing with the University. A suspended Organization may not participate in any University activities or events and is not recognized as a University organization during the suspension period. This does not affect an individual Student’s status with the University, academic area or attendance at classes unless the individual Student has been charged and sanctioned independently of the Student Organization.

16. **Expulsion (Student Organizations):** permanent separation from the University with no possibility of re-chartering or re-registering. An organization that has been expelled is considered not in good standing with the University. An expelled organization may not participate in any University-sponsored activity or event and is not recognized as a University organization. This does not affect an individual Student’s status with the University, academic area or attendance at classes unless the individual Student has been charged and sanctioned independently of the Student Organization.

**Housing Sanctions**

17. **On-Campus Housing Reassignment:** required change in University residence hall assignment. The Charged Student must move out by the date and time provided and will be responsible for any additional room rental charges for the new Housing assignment.

18. **On-Campus Housing Probation:** a temporary interruption of the Charged Student’s status with On-Campus Housing. Future violation(s) of the student Code of Conduct or other Housing/University policies may result in additional sanctions such as Housing Agreement Termination, University suspension, or expulsion. A person on Housing Probation is considered not in good standing with University Housing, resulting in applicable restrictions on privileges and/or activities including, but not limited to, ineligibility for Residence Hall Association (RHA) leadership positions and student employment within Housing and Residential Life (including Resident Assistants, Clerical Assistants, and Housing Ambassadors).

19. **Deferred On-Campus Housing Termination:** period of time in which the Charged Student is allowed to continue to reside in On-Campus Housing notwithstanding the fact that, but for the Deferred On-Campus Housing Termination (DOCHT), the Housing Agreement would have been immediately terminated. If another violation of the Code of Conduct occurs while on DOCHT, the Charged Student’s Housing Agreement will be immediately terminated. At the end of the DOCHT, the current Housing Agreement with the student is effectively terminated and the Student is ineligible to reside in any On-Campus Housing for the remainder of the Student’s career at FIU.

20. **On-Campus Housing Exclusion:** exclusion from On-Campus Housing for the remainder of the Student’s career at FIU. This exclusion involves buildings, grounds, and the parking lot surrounding the buildings.

b. Violations of the Student Code of Conduct that are motivated by prejudice toward a person or group because of such factors such as race, color, creed, religion, ethnicity, national origin, disability, age, marital status, sex, sexual orientation, sexual identity or expression, pregnancy, genetic information, veteran status or any group/class protected by state or federal law may result in stronger sanctions.

c. Sanctions take immediate effect unless appealed (except for suspensions or expulsions).

d. Proof of the completion of the sanction(s) should be provided as directed in the decision letter. It is the responsibility of the Charged Student or Student Organization to ensure that such proof is provided by the specified date. Failure of the Charged Student or Student
Organization to provide proof by the specified date may result in a charge of failure to comply, which will result in the placement of a Student Conduct hold on a Charged Student’s academic records, and suspension if the Charged Student or Student Organization had been on deferred suspension.

15. INTERIM SUSPENSION
Where the Vice President for Student Affairs or designee determines that health, safety, or welfare of the Charged Student, the Student Organization, or University community, an interim (temporary) suspension will be imposed. This includes, but is not limited to, sexual misconduct, physical assault, hazing, possession of a firearm or explosives, illegal drug possession, and other acts of a similar nature. A Charged Student or Student Organization under Interim Suspension is considered not in good standing with the University, resulting in applicable restrictions on privileges and/or activities. The Charged Student may neither attend nor participate in any classes, including any online components, during this time. The Charged Student or Student Organization is also banned from being on or in any University Premises and/or On-Campus Housing, and from participation in any FIU sponsored/related event or activity.

a. The Charged Student under Interim Suspension shall not be allowed on Campus except with the permission of the SCCR Director.
b. Once an Interim Suspension is imposed, a hearing must be held within a reasonable time. The Interim Suspension does not replace the regular conduct process, which shall proceed up to and through a hearing, if required.

16. APPEALS

a. Appellate Officer: The appellate officer for all appeals is the Vice President for Student Affairs or designee.
b. Appeal Form/Basis for Appeals: The Charged Student or Student Organization wishing to appeal must complete the appeal form in full, indicating the basis for the appeal, explain in detail the reasons for the appeal, and attach supporting relevant documentation. The burden of proof rests with the person appealing to clearly demonstrate the reason for appeal as set forth below. Appeals are not a re-hearing of the Student Conduct matter but are only a file and/or document review. The reason for the appeal must be based on at least one of the following:
   1. Violations of the appealing party’s rights or other failure to follow the Student Conduct procedures that substantially affected the outcome of the initial hearing. Appeals based on this reason will be limited solely to a review of the record of the hearing.
   2. New information which was not available at the time of the hearing and could not have been presented. In addition, the appealing party must show that the new information could have substantially affected the outcome.
   3. The severity of the sanction is disproportionate to the nature of the Charge(s).
c. Appeal Requests: All appeals must be written and submitted using the appeal form available in the decision letter.
   1. The person wishing to appeal must complete the appeal form in full and send it to the appellate officer for receipt no later than 5:00pm of the seventh (7th) Business Day after the delivery date of the hearing decision letter. If the appeal form is submitted and/or signed by any individual other than the appealing party, it will not be accepted.
d. If a hearing decision is not appealed within the timeframe, the original decision becomes Final Agency Action.
e. The Charged Student’s Status Pending Appeal:
   1. An appeal has no effect on a Charged Student’s status when the sanction was suspension or expulsion. The sanction(s) are effective immediately from the date of the decision.
   2. If the Charged Student appeals in any other case, once an appeal is requested, the sanction(s) will be stayed and will not take effect until the appeal process has been
completed. Under these circumstances, a Charged Student shall remain eligible to attend classes and University activities pending the appeal.

3. If a Charged Student’s privileges are temporarily revoked through an Interim Suspension and the Charged Student is subsequently found not responsible for the violation, the University must to the extent possible:
   i. Correct any record of the change in enrollment status in the Charged Student’s permanent records and reports in a manner compliant with state and federal laws; and
   ii. Refund to the Charged Student a pro rata portion of any charges for tuition, and out-of-state fees, as appropriate, relating to the temporary revocation or suspension which affected the Charged Student’s ability to attend classes for more than ten (10) Business Days.

4. If no appeal is requested, the sanctions will take effect immediately.

f. **Appellate Review/Decision**

1. No person may hear or decide an appeal if they conducted or participated in the Student Conduct proceeding being reviewed on appeal.

2. The Appellate Officer shall first determine if sufficient grounds for the appeal exists and then, if so, may either deny the appeal, thus sustaining the initial decision and sanction(s), or do one of the following:
   i. If the basis of the appeal is that the severity of the sanction was disproportionate to the nature of the offense and the Appellate Officer finds the appealing party proved their allegation, the Appellate Officer may modify the sanction.
   ii. If the basis of the appeal is that there was a failure to follow the Student Conduct procedures that substantially affected the outcome, or that there was new information which was not reasonably available at the time of the hearing and could not have been discovered through the exercise of due diligence, which would have substantially affected the outcome and the Appellate Officer finds that the appealing party proved his/her allegation, the Appellate Officer will order a new hearing.

3. **Written Decision on Appeal:** The appellate decision is issued in writing to the Charged Student or Student Organization within twenty-one (21) Business Days of receipt of the written request for appeal unless notification is given that additional time is necessary for consideration of the record on appeal.

4. **Effect of the Final Appellate Decision:** The decision of the Appellate Officer constitutes Final Agency Action. In the case of a suspension or expulsion of a Charged Student, the decision of the Appellate Officer will include notice to the Charged Student of the Charged Student’s right to appeal to an external judicial forum.

17. **RECORDS**

a. All conduct-related records will be housed in the web-based system maintained by SCCR.

b. The release of Student Conduct records will be governed by applicable federal and state laws regarding the privacy of education records.

c. The SCCR may place a Student Conduct hold on the records and registration of any Charged Student who has a pending Student Conduct matter, including any outstanding sanctions. Charged Students may not be allowed to graduate, receive grades, nor have transcripts released until pending Student Conduct matter(s), including any outstanding sanctions, are resolved.

d. The official University email address on file with the Registrar’s Office will be used for all Student Conduct correspondence sent to the Charged Student. For Student Organizations, the official University email address on file with the Registrar's Office for the organization's respective President will be used. The Hearing Officer may, in his/her discretion, decide to send the notices via additional means (e.g., overnight delivery, etc.) and/or to other authorized University Officials.
e. Expulsion will be noted permanently on a Student’s academic transcript. Suspension will be noted on the Student’s transcript during the period of suspension.

f. Student Conduct files are kept in compliance with General Records Schedule GS5, but not for less than seven (7) years from the date of the last incident(s) that the Charged Student or Student Organization was involved in that resulted in Student Code of Conduct charges. However, in the case of expulsion or suspension, the files shall be permanently retained.

g. Students may have access to the information in their Student Conduct file by submitting a written request to the SCCR Director. The access will be provided in accordance with federal and state laws regarding the privacy of education records (FERPA) and University regulation (see Florida International University Regulation 108).

18. AUXILIARY AIDS AND SERVICES
a. Students with disabilities as defined by the Americans with Disabilities Act who require special accommodations for meetings/hearings should notify the SCCR and the Disability Resource Center in writing at least three (3) Business Days prior to any meeting or hearing.

19. CONFLICT RESOLUTION
a. Not every matter processed through SCCR is required to go through summary resolution or a hearing. An overall goal of the SCCR is to provide a learning process which entails understanding and respecting the rights of others. An avenue utilized by the SCCR to foster mutual respect and understanding when differences arise is Conflict Resolution. Conflict Resolution through SCCR is an informal and confidential process.

b. Conflict Resolution may be utilized where the incident in question is minor in nature, and the parties involved chose not to proceed with charges through the University Student Conduct system. The SCCR reserves the right to determine if charges will be filed or whether Conflict Resolution is the appropriate option in each matter.

c. Conflict Resolution cases handled through SCCR will not be identified or filed as a Student Conduct matter. Conflict Resolution records will be maintained separate from Student Conduct files and will not be recorded or reported as part of a Charged Student’s record. All Conflict Resolution files are confidential and will not be released without written consent except in cases where the conduct or behavior is a repeat offense. In repeat cases, this information is only released to the Hearing Body and only used if the Charged Student is found responsible for a violation of the Student Code of Conduct.

d. Conflict Resolution files are kept for seven (7) years from the date of the resolution.

e. Incident(s) considered serious in nature, and consequently not suitable for Conflict Resolution, include, but are not limited to: sexual misconduct, endangerment, personal abuse, hazing, a crime of violence, illegal drugs, alcohol, weapons, or other violations of federal, state and local ordinances.

f. Participation must be voluntary, and either party can request to end Conflict Resolution at any time which may result in the initiation of the Student Conduct process for the behavior.

20. INTERPRETATION AND REVISION
a. Any question of interpretation or application of the Student Code of Conduct shall be referred to the Vice President for Student Affairs or designee for final determination.

b. The Student Code of Conduct shall be reviewed periodically by a committee which shall include Student representation under the direction of the SCCR Director.
