

The Panthers Protecting Panthers: COVID-19 Safety for Students is a course hosted in FIU Develop powered by Canvas. This is a separate website from Academic Canvas where you use to complete your coursework for your classes. FIU Develop is used for special non-credit courses, workshops, and trainings at FIU.

To get started

1. Visit develop.fiu.edu/courses/p3-students and click the Login.

2. Click the FIU Account Login button.

3. Login with your FIU student username (eg., roary001) and password.

4. Your Dashboard will show you the course. Click Begin Course to get started.
